Meece Landfill Site
Swynnerton
Coldmeece, Stone
Staffordshire
ST15 0QN

Biffa

T. 0118 916 7340

Englobe's Meece Facility, managed in partnership with Biffa Waste Services, is ideally located for projects across the Midlands and into the North West, and can accept and treat the categories of materials listed below.

ACCEPTABLE EWC CODES

- 01** Wastes resulting from exploration, mining, quarrying and physical and chemical treatment of minerals.
- 05** Wastes from petroleum refineries, natural gas purification and pyrolytic treatment of coal.
- 13** Oil wastes and wastes of liquid fuels (except edible oils, and those in chapters 05, 12 and 19).
- 16** Waste not otherwise specified in the list.
- 17** Construction and demolition wastes (including excavated soil from contaminated sites).
- 19** Wastes from waste management facilities, off-site waste water treatment plants and the preparation of water intended for human consumption and water for industrial use.
- 20** Municipal wastes (household waste and similar commercial, industrial and institutional wastes) including separately.

HOW TO FIND US

M6 southbound: Junction 15, follow A500. After ½ a mile, turn off for Newcastle Under Lyme. At the traffic lights, follow the A34 easterly to Stone.

M6 northbound: Junction 14, at traffic lights, turn right and take the third exit onto A34 feeder road to join the A34. At the roundabout turn left onto A34 to Stone. Follow A34 to Stone. At Stone take Walton roundabout onto B5026 towards Norton Bridge / Eccleshall. Follow for 4 miles to a railway bridge with a small roundabout. Turn right and follow this road for 2 miles to T-junction facing the Army Camp. Turn right & Meece Landfill is signposted c.1 mile past Army Camp, on the left side.
