

Trecatti Soil Treatment Facility

Permit Number: EPR/RP3733PC

Trecatti landfill
Fochriw Road
Merthyr Tydfil
CF48 4AB

T. 01189 167340

Englobe's Trecatti facility managed in partnership with Biffa Waste Services is ideally located for projects across the south west of the UK, this facility specialises in the treatment of asbestos & hydrocarbon impacted soils & can also accept and treat the categories of materials listed below.

ACCEPTABLE EWC CODES

- 01** Wastes resulting from exploration, mining, quarrying and physical and chemical treatment of minerals.
- 13** Oil wastes and wastes of liquid fuels (except edible oils, and those in chapters 05, 12 and 19).
- 17** Construction and demolition wastes (including excavated soil from contaminated sites).
- 19** Wastes from waste management facilities, off-site waste water treatment plants and the preparation of water intended for human consumption and water for industrial use.
- 20** Municipal wastes (household waste and similar commercial, industrial and institutional wastes) including separately.

HOW TO FIND US

Post code CF48 4AB.

From the A465 follow the roundabout for the A460 & turn up to Fochriw Road, proceed up the bank & the site is located on the right.
