CERTIFICATE OF REGISTRATION

This is to certify that the management system of:

Englobe Corp.

Main Site: 1200 Saint - Martin Boulevard West, Suite 400, Laval, Quebec, H7S 2E4, Canada

See appendix for additional sites and additional site scopes

has been registered by Intertek as conforming to the requirements of:

ISO 45001:2018

The management system is applicable to:

Overall Scope: Soil and materials engineering; Corrosion engineering; Geotechnical engineering; Geology; Hydrogeology; Pavement design and management; Highway engineering; Research and expertise; Quality control; Project management; Infrastructure management; Roofing and waterproofing; Building science; Supervision of manufacturing and work; Quality management consulting services and training; Sustainable development; Geophysics; Construction of soil and groundwater treatment systems; Geomatics; Environmental Site Assessments; Site Remediation; Environmental Risk Analysis; Design and specifications; Management; Construction and supervision; Industrial hygiene; Occupational health and safety; Consulting services in aquatic environment and technical surveys, as well as cartography, geomatics and publishing.

Certificate Number:
0030385

Initial Certification Date:
12 December 2011

Date of Certification Decision:
03 September 2026

Issuing Date:
12 September 2026

Valid Until:
23 April 2029

Mark Thomas
Executive Vice President
Assurance, Sustainability, AgriWorld & Food

Intertek Testing Services NA,
Inc. dba Intertek,
4700 Broadmoor SE Suite 200 Kentwood,
Michigan 49512, United States

In the issuance of this certificate, Intertek assumes no liability to any party other than to the Client, and then only in accordance with the agreed upon Certification Agreement. This certificate's validity is subject to the organization maintaining their system in accordance with Intertek's requirements for systems certification. Validity may be confirmed via email at certificate.validation@intertek.com or by scanning the code to the right with a smartphone. The certificate remains the property of Intertek, to whom it must be returned upon request.

CERTIFICATE OF REGISTRATION

APPENDIX

This appendix identifies the locations covered by the management system of:

Englobe Corp.

This appendix is linked to the Main Certificate # 0030385 and cannot be shown nor reproduced without it.

Englobe Corp.

1200 Saint - Martin Boulevard West, Suite 400, Laval, Quebec, H7S 2E4, Canada

Soil and materials engineering; Corrosion engineering; Geotechnical engineering; Geology; Hydrogeology; Pavement design and management; Highway engineering; Research and expertise; Quality control; Project management; Infrastructure management; Roofing and waterproofing; Building science; Supervision of manufacturing and work; Quality management consulting services and training; Sustainable development; Geophysics; Construction of soil and groundwater treatment systems; Geomatics; Environmental Site Assessments; Site Remediation; Environmental Risk Analysis; Design and specifications; Management; Construction and supervision; Industrial hygiene; Occupational health and safety; Consulting services in aquatic environment and technical surveys, as well as cartography, geomatics and publishing.

In the issuance of this certificate, Intertek assumes no liability to any party other than to the Client, and then only in accordance with the agreed upon Certification Agreement.
